

Capability Statement

Core Competencies

Dolche Truckload Corp is a dynamic and forward-thinking trucking company that has carved out a significant niche in the freight transportation industry across the United States. Founded in 2010, this women-owned enterprise has grown from a dream into a thriving motor carrier with a fleet of 70 trucks, specializing in the transportation of hazardous materials (hazmat), refrigerated freight, and dry freight. Our company prides itself on its commitment to safety, reliability, and customer satisfaction, serving all 48 contiguous states with unparalleled dedication and professionalism.

- Hazardous Materials Transportation
- Refrigerated and Temperature Control Freight Services
- Dry Freight Transportation
- Safety and Compliance
- Advanced Fleet Management
- Comprehensive Nationwide Coverage
- Warehousing and Storage
- Full and Less Than full Truckload Capability

Differentiators

At **Dolche Truckload Corp**, our **fleet of 70 trucks** is more than just transportation—it's the **lifeline of industries across the United States**. With every mile we cover, we uphold our **commitment to safety, precision, and excellence** in logistics.

Leaders in Hazardous Materials Transportation

We take pride in our **specialized expertise in hazmat transportation**, adhering to the **strictest safety regulations** and industry standards. When it comes to **handling sensitive and high-risk cargo**, we ensure compliance, security, and peace of mind for our partners.

Refrigerated Freight – Protecting What Matters Most

Our **state-of-the-art refrigerated freight services** are engineered to **preserve the integrity of temperature-sensitive goods** from pickup to delivery. Whether it's **perishable food, pharmaceuticals, or specialty cargo**, our advanced reefer fleet ensures optimal climate control every step of the way.

Reliable & Efficient Dry Freight Solutions

Beyond specialized transport, our **dry freight services deliver unmatched reliability and flexibility**. From general commodities to high-value cargo, we provide **seamless, cost-effective transportation solutions** tailored to meet the evolving needs of our customers.

At **Dolche Truckload Corp**, every load matters, every deadline counts, and every mile is a testament to our **dedication to moving America forward**
